

Board Policy 1500

Display of Federal and State Flags

Display of Federal and State Flags shall show respect and honor to these flags but shall not be used as a vehicle for expression of partisan approval or disapproval of a popular cause of the day.

Federal or State flags may be lowered to half-mast only as a mark of respect to a deceased person by order of the President of the College, upon proclamation of the President of the United States or the Governor of California. The Board of Trustees may issue a special directive ordering the lowering of the flag upon the death of a person directly affiliated with the College.
