

Board Policy 2365

Recording

Any audio or video recording of an open and public Board meeting made by or at the direction of the Board, shall be subject to inspection by members of the public in accordance with the California Public Records Act, Government Code Sections 6250, et seq. The Superintendent/President is directed to enact administrative procedures to ensure that any such recordings are maintained for at least thirty days following the taping or recording.

Persons attending an open and public meeting of the Board may, at their own expense, record the proceedings with an audio or video tape recording or a still or motion picture camera or may broadcast the proceedings. However, if the Board finds by a majority vote that the recording or broadcast cannot continue without noise, illumination, or obstruction of view that constitutes or would constitute a persistent disruption of the proceedings, the Board President may direct such action to stop.
