

Board Policy 2745

Board Self-Evaluation

The Board is committed to assessing its own performance as a board in order to identify its strengths and areas in which it may improve its functioning.

To that end, the Board establishes goals and evaluates its performance on the previous year's goals. In its October meeting the Board goals are re-presented for the previous year and a questionnaire is completed for discussion of those goals at the November meeting. At the November and December meetings, the Board establishes its goals for the subsequent year.
