MATRICULATION

The El Camino Community College District shall provide matriculation services to students for the purpose of furthering equality of educational opportunity and academic success.

The purpose of matriculation is to bring the student and the District into agreement regarding the student's educational goals through the District's established programs, policies and requirements.

Matriculation is a four-step process to help students obtain academic success and achieve their educational goals. The components of matriculations are: Admission, Orientation, Assessment, and Counseling. In addition, matriculation also provides student follow-up, training and coordination, and institutional research on student success.

The goals of matriculation are to ensure that all students complete their college courses, persist to the next academic term, and achieve their educational objectives. Matriculation is intended to assist all students in gaining information about themselves and the college, establishing goals, developing their educational plan, helping them prepare to enroll and succeeding in their courses at El Camino College.
