

Cannot Login

Do NOT proceed if you did not perform the steps on "How to Login" to Etudes. If you followed the steps accurately but still unable to login, try these two guidelines:

1. Add the last four digits of your Student ID to your user id.
 - For example, your name is Steve Carter and your Student ID is 0115482. Your Etudes user id could be **steve_carter5482**.
 - Your initial password would still be your birth month and your birth date. For example, your birthday is August 2, 1993. Your password would be **0802**.
2. If adding the last four digits of your Student ID did not work, try adding the last four digits of your Social Security Number.
 - For example, your name is Steve Carter and your Social Security Number is 611-81-4122. Your Etudes user id could be steve_carter4122.
 - Your initial password would still be your birth month and your birth date.

If these two guidelines were unsuccessful, please email the Distance Education Office at DistanceEd@elcamino.edu and include your Name, Student ID, Course Section Number and Semester.
